*Certified Network Cabling Installer CNCI*

Matrix Cabling recognises and endorses the CNCI Course as an ideal qualification for existing experienced installers.

Installers who have successfully completed this course are able to register to become a Matrix Cabling Approved Installer, whereby they can offer a 25 year warranty, on all Matrix registered installations

For further details of Matrix Cabling Product and Warranties, please visit, [www.matrixcabling.com](http://www.matrixcabling.com)
